Don Largent Roofing, Inc.
1740 Erickson Avenue
Harrisonburg, VA 22803

Dear Mr. Taylor,

This letter is to confirm that Don Largent Roofing, Inc. has achieved 2,003 Perfect 10 inspections on 40,000,000 square feet of installed Carlisle roofing systems. This achievement places Don Largent Roofing, Inc. at #2 overall in Carlisle single-ply membrane installation in the United States.

Over 37 years ago, Carlisle developed the Perfect 10 program to recognize single-ply roofing contractors who install our systems to published specifications and details. Installed projects are inspected by Carlisle Field Service Representatives and ratings from 1-10 (10 being the best) are assigned to each project. A "Perfect 10" designation means they are virtually flawless and Carlisle specifications and details were closely followed. Carlisle maintains a comprehensive data base for all inspections for all projects that have been warranted.

A Carlisle Authorized Applicator qualifies as a Hall of Fame member when their firm completes at least 250 "Perfect 10" roofing installations. Nearly 250 Authorized Applicators have attained 250 "Hall of Fame" status. Under the umbrella of Hall of Fame, successive tiers have been recognized – 500 Hall of Fame, 750 Hall of Fame, 1,000 Hall of Fame, 1,250 Hall of Fame. This category recognizes superior workmanship, consistency and continued dedication to perfection. Approximately 100 of Carlisle's 2,800 Applicators have achieved the 500 level; 55 have reached 750, 27 have reached the 1,000 and only two have exceeded 2,000 in this highly acclaimed lifetime achievement category; Don Largent Roofing, Inc. is one of those two contractors.

If you should have any further questions, please feel free to contact me.

Sincerely,
